IMPORTANT NOTICE

How can Brent Carers Centre continue to Support Carers during this Covid 19 Outbreak? The spread of the Corona Virus has unfortunately forced us to seek answers to the above question.

To minimise the risks to both staff, carers and your dependents, we will only be able to offer telephone advice as an interim arrangement for the foreseeable future.

All outreach advice work in Community Hubs, Support Groups, Respite Activities and Training Workshops will be suspended until further notice.

Brent Carers Centre will continue to deliver the following range of support services via telephone to unpaid Mental Health and Young Adult carers in Brent. This includes:

- Carer Information and Advice;
- Welfare Benefits Advice & support;
- Advocacy & Representation
- Access to Health and Wellbeing Services;
- Access to Grants for respite or equipment replacement etc.
- Access to Work & Training

We sincerely apologise for any inconvenience this may cause, but wish to reassure you of our continued commitment in supporting carers and their well-being at all times. We will update you as soon as possible of any changes.

Brent Carers will continue to accept referrals of new carers by fax, telephone, email and via the Website.
