

Brent Health Educator  
Partnership Service

is now in the second phase recruiting for the following positions:

## **Community Health Educators**

***Required to work in one of five locations (please state your preferred location when applying)***

Church End, Harlesden & Stonebridge  
Kilburn, Queens Park and Kensal Green  
Kenton, Northwick Park & Kingsbury  
Wembley, Sudbury & Alperton and  
Willesden, Dollis Hill & Neasden

£19,741.00 p.a. pro rata, or £10.85ph  
Fixed term contract for up to 16 hours per week  
or as a sessional worker till 31<sup>st</sup> March 2022  
Flexible working hours negotiable

Health Educators will work to promote, maintain and improve individual and community health by assisting individuals and communities to access health and support and adopt a healthy lifestyle.

We are looking for people who have good links and knowledge within the local community and will talk to other people about important and sensitive health issues like Covid testing , vaccines and diabetes to prevent them getting ill now or in the future. All Health Educators will be trained and supported to understand and explain information; answer queries on health topics and learn how to competently challenge wrong information.

You should have local knowledge of the area you wish to work in and be willing to learn about health inequalities and its impact on local communities. We will upskill and develop individuals on delivering presentations to a diverse audience; You should possess the ability to network and we will support you to manage the varying views and opinions of different people. We are looking for creative and innovative individuals with the ability to also maintain accurate records for reporting purposes.

This is not a 9 – 5pm. You will be required to work out of hours and work flexibly.
